About VG

We are one of Jersey's largest independent and privately owned providers of fiduciary and administration services.

We have significant experience and a deep understanding of Shariah-compliant structures and transactions including funds, Sukuk and private trusts, and have particular expertise in the administration of Shariah-compliant structures used to purchase and manage multi-million dollar commercial properties in the UK and elsewhere in the world.

Our award-winning Islamic finance team has supported the needs of entrepreneurs, families and institutions for over 37 years.
